**PROGRAM:** From the President, David Silverman

Our annual plant auction will be held at the next meeting of the Gainesville Bromeliad Society on Sunday, July 28 at 2:00 pm. The plant auction was very successful last year and generated funds for our treasury. As she did so well last year, Nancy Mason will again be our auctioneer. This should be great fun and an opportunity to purchase some fine plants. So please plan to attend and **please bring some plants to contribute to the auction.** The funds collected in the auction will all go into our treasury.

For our meeting on August 25 we will visit the gardens of Hjordis and Lois in Archer.
